SUMMARY

I am currently an intern at DevStarX and previously interned at CodesOrbit. I am pursuing my studies at the International Islamic University Islamabad (IIUI). Alongside my academics, I have actively contributed to various organizations and events. I serve as the PR Lead at BlackBox AI - IIUI and have previously held roles such as Content Creator, Content Team Lead, and Social Media Strategist at The Computer Science Society - IIUI. Additionally, I was the Operational Lead at Microsoft Learn Student Club - IIUI, the Marketing & Media Lead at Hult Prize - IIUI, and a Media Team Member at Google Developer Group on Campus - IIUI. I have also been an ambassador for several prominent events, including DevCon 25 by the Software Society, MCS, as well as Connected Pakistan, Air Nexus 25, Tech Fest Gala, and Global Youth Movement Pakistan.
